1. I am the way, the truth and the life. Then no man cometh to the Father but by Me. **I am the way, the truth and the life and no one comes to Me without the Father. No man comes to the Father without Me. Yea, we are One.** I am holy. You are holy. I love you. I have made Myself pure. You have made yourself pure. You have cleansed the temple. You have driven out the money changers and the value of mammon from your soul. Yea, you examined yourself and decided to become noble to be used for noble purposes. You decided to submit and surrender to My word. You decided to submit and surrender to My ways. For you knew and you know that My ways are higher than your ways. And yet My ways are in you, the Godhead bodily in form and fashion of you. Yea, released, you all knowing. Yea, watch Me. You chose Me and I chose you. You chose Me because I chose you. I chose you because you chose Me. We are one. And tell every single one, I choose them.
2. Tell them in your words, *I choose you.* I *choose you* to know the Father like I know Him and more. I Ted, *choose you* to know the Son like I know Him. And yea, more and thus also, be known. Be known of My Father, yea, your Father: One. You are My brother and I am your sister. We are one.
3. Think it not strange, My priesthood, yea, of Me and only Me. My priesthood comes forth. The dramatic comes now and divides. Watch Me. Watch Me divide. Two will be taken and one left. One will be taken and two left. Two will be sleeping. One will come and one will stay. Watch Me. See what I have said. I come and I call and I reveal all in those who answer My call. In all, in all, My all in all in you, My priesthood of all believers.
4. Yea, into Me see. See into Me more. Come into Me. Come into Me and revel in what I show and what I teach, what I explain, what I connect; how I show you, what underlies and overlays; what maps, what explains, what shows, what is. **Yea, all of My words given to you. All that I am I give to you. All the words then and all the words now, I give to you. I give you My all. I withhold nothing. Don't you see? Don't you see My covenant? Don't you see? Don't you see that I give you My all**? I gave you My life, I give you My words. I gave you all of His words and I still give you all of His words. I give you all of My words, our words, our words, one. I love you.
5. **Be Me in the consciousness of only Me; self-consciousness of you, none. Dead. My five-sensed man demised.** But yea, delivered now, delving to the destiny, the design, of My priesthood that, yea, I spoke of so clearly, so candidly, so carolingly in My word.
6. Watch Me. Dig Me. Mine Me. Mine My words. Mine these words. Mine Me and who speaks Me, who unashamed of Me is; proclaiming that I AM is speaking, the one and

only, I AM. I AM. I am I AM and I am My body, and My body is in Me and I am in My body. Yea, watch Me. Watch Me deliver. Watch Me heal. Watch Me help and hinder not; not in your own understanding nor the wisdom of the world nor the ways of the tree that I choose not and told/tell all to choose not. Choose Me, life, for I am life; leaves of gold, leaves of healing for the nations; healing for your family, for your heart, for your emotions, for your sustenance, for your very existence. I love you. Doing things of only Me. Seeing what I say. Saying what I see. Seeing Me. Saying Me. Speaking Me. Being Me. I love you. My revelation of tonight in you, My friend, goes far and wide; deeper than any eye can see; farther than the motion of the moon, the sun, the stars.

7. Yea, watch Me. Yea, so clear, so concise, so carolingly. My clarion call to My priesthood, the rock upon which I build. Yea, watch Me. All changes so quickly, so carolingly, so cataclysmically; carolingly for so many; cataclysmically for so many more. For narrow is the way and few therein walk. Stoic-ly not, but rejoicing, twirling, dancing. Enjoying My abundance. My face, My hands, My feet, My altogether loveliness. Oneness with My Father, oneness with My Son, oneness of us, altogether. Us-ness, yea, Me, one.

8. **I and My Father are one. You and My Father are one. You and your Father are one. For we have the same Father. See what I have said. My blood in your veins, one blood. Remission of sins, yea, yes, absolutely. Be Me. Remit and rejoice so freely, fountaining My blood**. Yea, My red carpet roll out before you, piercing the darkness you are, going where no man has gone. No one. No one dared. No one dreamed. Few dreamed. Settling for less.

9. My time is now, your time is now.
My hour is come, your hour is come.
I stand, you stand.
I knock, you knock.
I am, you are.
You are I AM and you know, you know, you now know, you now know. Unbelief, none. Yea, walk in the strength of My power, in the power of My might, the splendor of My majesty, beholding Me. Yea, I behold you in the love of My joy, the joy of My love.

10. Oh, séances not. Seeming pleasures beyond belief of the multitudes in the valley of pleasure, in the valley of pastimes, chained by mammon and doctrines so deleterious, so demeaning, so demising.

11. Oh please take My freedom. Run with My joy in the revelation you now have, that you bubble over with, yea, as fountains in a mighty stream; then geysers of Me. Truth which taints not, but clears, cleans and cleanses and makes noble for My purposes.

12. **Yea, the house of God changes. The leaders change; the modus operandi altogether changes. Watch Me. Watch the changes which demise so many; and exalt the meek, the humble, the lowly in Me, My who love each other, surrendered drink offerings; exalting My flesh not, yea, exalting My body in Me, in Me in My body. And yea, watch Me**. I love you.

13. Think it not strange who comes, who goes and who settles for less; who plateaus and returns to their vomit. Worry not. Pray for those who I have given you, for I have given you many. And yea, I revel in what I have given and what I have been able to give and what I now give and what I have yet to receive into your hand, My heart, your heart, My hand, your hand. Yea, the marriage supper of the Lamb, not at all like most thought or think or project or plan for. Watch Me.

14. Watch Me lay over and lay into and come into and come through those who will lay over My globes interceding for nations being the man, the woman, the boy, the girl, standing in the gap for My laws to hear in the minds of its leaders, that nation's leaders. Yea, Me putting My thoughts in their mind and writing it upon their heart. Watch Me. Intercede, intercessionship, coming forth from, yea, toddlers, tikes and tiny ones who know never a life not filled with intercession. Yea, prophecies, words, signs, dreams, symbols, connections and relationships of only Me coming forth maturing My little, My lambs, My altogether lovely, who will explore Me and adventure with Me in My Spirit, the way that I have desired and dreamed and delivered the way unto them.

15. Know Me. Know Me more. Oh, so many times throughout the day. I love you. Drink Me. Thank you for drinking Me, eating Me, My words. Valuing Me, so greatly. I love you. I come, I call. I conquer with My love, the word of My mouth, the power of purity. Thank you. I meekly bow and I say thank you and I receive you unto Myself that where I am that you will be also, all the time. All is good. I love you.

16. Good night. Go and glow in the revelation now today, this morning, tonight, what I gave you. Learn of Me. Learn of Me even more and compel My Mighty Many to tables, tablets and yea, writing My words. I give you so much more.

I love you. I hug you. I kiss you. I thank you.

Good day. So sweet coming.

Go rest.

17. The night is short and your day is so full of Me, in Me. My pinpointing the accuracy of My revelation. How to teach it and share it and yea, revel in Me more. Thank you. Thank you for reveling in My love and bringing Me such pleasure.

I love you. I adore you.

I AM.

Thank you. Thank you. Thank you. Goodnight.

18. Never, ever forget tonight and what I've given you. Psalm 110, Hebrews, yea, buildings of only Me. Watch Me. Watch Me. Watch Me.

Thank you for letting Me be Me, so completely, so freely, doing all I want to do for you, My lover, My friend. Yea, My Son. Thou art Who you know. I. Amen.

Goodnight.
